

19th March 2021

Dear Parents and Guardians,

It has been lovely this week to see the sun shining allowing us to get outside in the school grounds a little more.

Class 3 have been on a bug hunt this week, bring back lots of minibeasts to help them classify in their science lessons. I enjoyed seeing the excitement over the number of worms discovered!

Class 2 have been learning all about how to wash a woolly mammoth and I can tell you, it certainly appears to be a lot more involved than we might imagine!

Class 1 have made the most of being outdoors this week and have kept the staff on their toes with all things dinosaurs, making chalk soup and painting pictures about recycled items.

Last week we sent out data collection forms to all parents. If you haven't returned them yet, please ensure that they are back with us on Monday so that we can update all of our records.

We are currently a little short staffed in the school office as Mrs Gregory is unwell. I would appreciate your patience if you phone in and no-one answers immediately. Please leave a message and someone will return your call. If you are ringing to report a child's absence, please dial 1 and leave a message as instructed.

Miss Bragg has sent a letter home this week about the Easter raffle. Please support this in anyway that you are able. You can buy the raffle tickets that were attached to the letter and also make donations towards chocolate prizes.

I wish you all a lovely weekend.

Stay safe.

Best wishes

Joanne Lloyd
