

20th January 2023

Dear Parents and Guardians,

The sun shone today and the children have enjoyed a lovely day of wearing their own clothing as a reward for all their hard work in school recently.

I know that all of our families will be proud knowing that the Adult and Paediatric First Aid Instructor, Natalie, who came to lead the First Aid training with Key Stage 2, was extremely impressed with all our children's behaviour, concentration and politeness throughout her morning session and kept saying how wonderful all our children are.

We have been completing NFER assessments in Reading & Maths across the school this week (and into the start of next), as have all the other CET schools, and the children have worked hard and tried their best. We have seen the improvement in every child's performance. Improvements have been rapid and the staff team commend the children for listening & working so hard. These are life skills which the children will take onto secondary school & into the wider world. My thanks go to the staff team for supporting the children so consistently.

Towards the end of this week, we were awarded £500 towards Road Safety equipment which we hope to use to support learning; hopefully more news on that soon!

Finally, we are grateful to the council for cleaning up the path adjacent to the school playground as this has made an enormous difference to our environment.

I hope that you have a lovely weekend and I look forward to seeing you all next week,

Mrs. McDowell
