

19<sup>th</sup> May 2023

Dear Parents/Guardians,

This week we have been extremely proud of our Year 2 children who have been completing their SATs papers. They have concentrated for a considerable length of time to demonstrate how they perform in English and Maths. We are delighted with how mature our Year 2s have been.

Our Key Stage 2 children have behaved really well at swimming, and they are demonstrating road sense on the walk to and from Workington Leisure Centre.

Our Innovate project starts next week when teams will begin to create their design and manufacture their project. They will then create an advert for this.

For excellent attendance next week and to reward this, we will be enabling the class with the highest attendance each week to wear their own clothes on Friday. We will announce this class on Thursday to the class and via social media so that families are aware.

Now that we are seeing more sunny days, just a reminder to put sunscreen onto your child's skin prior to the start of the day and to send in a sunhat so that they are able to wear this at breaktimes.

Have a lovely weekend

Mrs McDowell
